*Deerfield Township Resident
Annual Permit Registration*

Only residents living in a property located in Deerfield Township may qualify for free disposal of approved solid waste at the convenience center.

Each household is allowed two individual permits. Each individual must register at the CCIA with a valid driver's license and a second form of identification showing proof of residency in Deerfield Township. Acceptable forms of identification are a recent utility bill, a bank statement, a credit card statement or a vehicle registration.

The registered driver's license is associated with the annual permit and must be presented every time at the convenience center.

Deerfield Township property owners (such as real estate companies, landlords and investors) who do not physically reside at the specific location do not qualify for the free disposal program.

Any resident who operates a business in Deerfield Township is not eligible for the free disposal program.
